

do real estate
(simply).

ProSuite,
British Columbia's #1
real estate software,
is a full-featured solution
that is designed to
simplify the completion
of real estate
transactions for
legal professionals.

ProSuite automates virtually all documentation required to complete purchase, sale, and mortgage transactions and makes it easy for you to obtain third party services without ever leaving your ProSuite file.

- Time-saving integrations with third parties including Stewart Title, FCT, and Chicago Title for title insurance; Stewart Assyst for mortgage instructions, APIC for tax and utility searches, and Land Title and Survey Authority for title searches and registrations.
- Great ongoing customer support from knowledgeable and friendly staff.
- A large documents team to provide complimentary customization of your documents and to ensure all global documents and mortgage products are always up to date.

"We have been ProSuite customers for over 7 years and rely on the software to help us manage our conveyance practice. Our staff find the program is very easy to use and it helps reduce the time it takes to manage conveyance files. We can create documents to look just the way we need them to look."
